Report of Principal and School Improvement Council

The School Improvement Council of Sevier Middle School is pleased to share the highlights and success of the 2010-2011 school year. As the economic crisis hit the schoolhouse taking 7½ positions and forcing larger class sizes, funds for materials were scarce and nearly 20% of our teachers taught courses for the first time. No matter the challenge, Sevier kept a clear focus on academic achievement and opportunity for students. The commitment of the Sevier staff, and the “can do” spirit among students, parents, and volunteers ensured access to a rich academic and related arts curriculum, and supported high levels of learning for each of our students.

Revised start and end times for Greenville middle schools were an immediate help – every student began class on time. Many read more books and finished homework in the media center or computer lab – open each morning. Efficient after school pick up eased supervision, and allowed more time for student support and enrichment.

The energetic investment of parent volunteers and community partners provided over \$4,000 in teacher grants, academic incentives for students, classroom enrichment, and activities for families. Our first ever Spirit Squad was parent led, and increased enthusiasm and leadership for our athletic program. Our School Improvement Council studied “authentic literacy”, paving the way for full community understanding that every student must read critically, write effectively, and solve problems thoughtfully. The PTA, SIC, and Sevier faculty presented an invigorating curriculum showcase for incoming 6th graders. The “Flight of the Falcon” raised enthusiasm for our total program, and netted a waiting list for enrollment at the 6th grade.

Our student activities program continues to bring honor to our school. Our softball team made their first tournament appearance, Battle of the Brains made the “Elite Eight”, a sixth grader won first place in the District Reflections Contest, and our Book Bowl team was District Champion.

With an Improvement Rating of GOOD and the Silver Award for 2010 performance, we are pleased to note the relative stability in our PASS scores for 2011. As we grow and benefit from an improving economic outlook, we expect to continue the upward trend in student achievement established across the last 5 years.

We challenge each of you to encourage an excellent school experience for your sons and daughters. Parents, teachers, and community members must work together to prepare students for the challenges that lie ahead. Students must do their best to see that they never allow a gap in their understanding or miss the opportunity for a richer experience. A strong student becomes a self-sufficient adult and contributing citizen. Let's make sure each of our Sevier Falcons is equipped to meet the future.

Have a great school year!
